Makeup Photo Packages

Starting in 2012, we will be offering a limited number of packages which include not only photography, but makeup and hair styling by Annie Chang, one of Vancouver's most reputable wedding makeup artists with over 7 years of experience. If you book Vivid Moments as your wedding photographers and Annie as your primary makeup artist, you'll have her services for the entire day. Whether you're feeling a little teary eyed at your ceremony, in need of having your hair redone after a windy photoshoot outdoors, or would like a corrective touch-up before the reception, Annie will make sure you are looking perfect at all times.

Pricing for our all inclusive Makeup Photo Packages is simple and straightforward. All you need to do is book one of our photography packages and combine that cost with one of the beauty bridal packages on the facing page. For example, if you book our standard \$2500 package which includes 8 hours of coverage, and the "Elite Beauty Package", the final cost will be \$2950.

All other beauty services are listed as follows. For any additional questions related to beauty services, contact Annie at info@vividmoments.ca or by phone at 778.889.3568.
